

Dear Teachers,

This Teacher's day we salute you and want to listen to you

MahIRuham Science Activity Centre invites all Teachers, Educators and Parents to articulate their views to make education system more meaningful and comprehensive at senior secondary level.

Write an essay on your view of "**Senior Secondary School in modern India**"_and send your essay to info@mahiruham.com

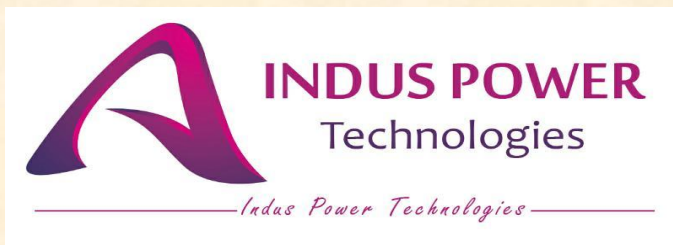

No restriction on minimum or maximum words

Last date of submission: **3rd October 2017**

Best three entries will be awarded certificates and attractive gifts on **5th October, International Teacher's Day**

Best views from all the essays will be consolidated and highlighted in our website. The best three entries will be present in the hall of fame for a year.

This competition is a joint initiative of **MahIRuham and Indus Power**, an endeavour of Indus Institute for Professional Studies, New Delhi, in their Mission – "**Putting Children First**"

For further details contact – **9849362266 / 7032416290 / 8121850991** www.mahiruham.com
